Mixing Notes: In acoustically dry environments please add a touch of hall reverb effect. Outer two vocal mics are primarily for speaking. Be aware that lead vocal duties shift between 3-4 vocalists depending on the song, you may choose to boost lead vocals accordingly. For more technical information call Brian at 414-257-2001 (h) or 414-750-5024 (c) or email [brian@leahysluck.com](mailto:brian@leahysluck.com).
